Hi Susanne,

Hope all is well with the new job.

This was going to be part of our short phone call the other day. Please consider this a request under Vermont's Public Records Law, and the Federal Freedom of Information Act.

I am seeking copies of all written and electronic records, including, but not limited to reports, documents, letters, emails, messages, text messages, phone messages, memos, findings, drafts for the case below involving the Officer Involved Shooting in Woodstock on June 14, 2020. Also included in this request are 911 calls, body and dash cam videos etc.

As you know the case was officially closed this month when both the Vermont Attorney General's Office and Grand Isle County State's Attorney Doug DiSabito cleared Woodstock Police Sgt. Swanson.

Please call if you have any questions, including the length of all the documents.

Thanks very much.
